## Pride and Professionalism

By Mike Kelly

If you don't like the weather, stick around for 10 minutes.  
"Someone in North Carolina"

With confidence, I know I speak for all of our members in saying "I am tired of winter". When the groundhog saw his shadow, I really did not pay much attention. We had some nice days and it looked as if maybe we had seen the worst of winter. However, Mother Nature had something to prove and here we are in the first week of March and still feeling the effects of cold weather. According to the weather reports it looks as if we have to wait another week or so.

Speaking of cold weather golfing, we have some special members that do not let any kind of weather keep them from competing.

FREEZING PINEHURST JUNIOR  
TOURNAMENT

On February 15<sup>th</sup>, 2015, the Hannant family's eldest daughters, Ella and Karsyn, competed in the Pinehurst U.S. Kids Golf Tour Championship. Played at No. 6 and in freezing 20-degree conditions, the players pressed on and proudly completed an eventful day of golf.

5 year old Ella June Hannant shot a 54 to win 2<sup>nd</sup> place overall in the Girls 7 & under division. This was her first tournament and her score qualified her amongst the top five in the Pinehurst Tour Championship points.

9 year old Karsyn Roberts shot a 58 to win 3<sup>rd</sup> place overall in the Girls 8-9 division. This was also her first tournament and her score qualified her amongst the top five in the Pinehurst Tour Championship points as well.

Congratulations Ella & Karsyn
