Pride and Professionalism

By Mike Kelly

[The more freedom we enjoy, the greater the responsibility we bear, toward others as well as ourselves.](#)

[Oscar Arias Sanchez \(1941 - \)](#)

This month we celebrate our American independence. As a child this meant cook outs, fireworks, and times of fun. As we mature we find that with independence come responsibilities. Not to mention that we all have to go to work or tend to the children every day. Or even in retirement one certainly has obligations that he or she has to meet on a daily basis. Independence was a whole lot more fun as a child.

HAPPY FOURTH EVERYONE

Couple things I would like to talk about. One is about making tee times. Lately, even with the hot weather, we have been extremely busy in the morning rush. I continue to hear some of our members complaining that they can't tee off as soon as they walk thru the door. I do understand and would like to help, but as

I stated, we are getting a huge amount of play, which most of these people have tee times. Think how you would feel if you had a tee time and someone was put in your place. As a member, we have the ability to make tee times on our web page two weeks out. Of course we also ask that if you make the tee time and are not going to use it, call and cancel please.

The fact that we are this busy I hope all would agree is a good thing.

We still need help with motivating people for the upcoming member tournaments. Look on the bulletin board for events and hopefully you and a friend will participate. Rick is trying real hard to get people to help with motivation.

Any member that signs up for the Deacon Jones before July 15, will receive a \$20.00 discount off the entry fee.
