Pride and Professionalism

By Mike Kelly

It's really easy to complain. If you're not careful, then you end up complaining about your whole life. Concentrating on the good things is really good. Catch people doing good.

Oh how things have changed. This time two months ago I was trying to figure out how in the world we would survive. We had just hired a new PGA Pro with plenty of good things in his bag. The weather predictions offered a cool spring, which in my world is ideal for golf. I am a happy GM.

But wait a minute. Didn't I just say the weather was great for golf? Well it may be good to play golf, but we found real quickly that it's not good for growing grass. Man what a fire storm. Fast forward to present day.

One would have never known that we had any growth problems at all if they had not seen it for themselves. Once the weather warmed up, or should I say got real hot, the grass just took off. In fact,

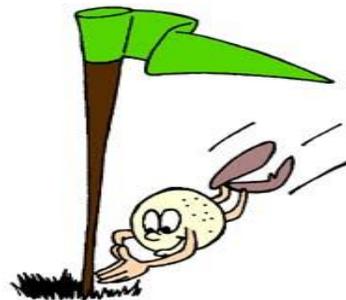

we have started treating to slow growth down a bit.

I would be remiss if I did not give Chad & Clint all the kudos in the world. Can you imagine the stress of trying to get things going, just to be hearing in the background calls for their dismissals? Great JOB guys.

The greens are in great shape, the fairways are in excellent shape, and the roughs are fair to play out of. So why not come out and enjoy a good round of golf.

Kudos to Rick as well. We are 500 rounds ahead of last year's numbers even with the little hiccup on the greens. Thanks Rick.

Congratulations to Gibb Blackman for his hole in one on # 13 the other day. He was playing with Hank Stewart, Mickey Drummond, Frank Davis, & Robert Peele. I am sure I will see the bunch of you at the next steak night.

July has been a very busy month especially for our kids. The **PGA Junior League** team has continued to play and practice one or two days per week (between showers). Our **Lane Tree Kids Camp** has averaged over 40 kids per day and we will continue to offer some junior activities for them even during the fall months.

We were planning interclub matches between Lane Tree and Southern Wayne for the month of August but with Howard Hunt leaving SWCC and all the activity here getting ready for the Deacon Jones Memorial we are going to reschedule that for an early fall event. More info to follow.

The **Deacon Jones Memorial Tournament**, on August 8-9-10, is our biggest social/golf event of the year and is shaping up nicely. The golf course is in excellent condition and we're anticipating a fun, competitive weekend. We're still signing up teams so call the golf shop, 919-734-1245, ex. 24 for info or to sign up.

Lane Tree Ladies will be hosting the **Eastern League** here on Thursday, August 14.

Long ago,
When people cursed
and beat the ground
with sticks it was
called witchcraft.

Now it's
called golf
