## Pride and Professionalism

By Mike Kelly

**This is our purpose: to make as meaningful as possible this life that has been bestowed upon us; to live in such a way that we may be proud of ourselves; to act in such a way that some part of us lives on.**

Oswald Spengler (1880 - 1936)

I am so proud to be a member of Lane Tree. By far, Lane Tree members take it to the competition and come out winners.

Two Lane Tree ladies, Rhonda Williams and Shirley Baker competed in the 66<sup>th</sup> North Carolina Women's Amateur Championship contested at Porters Neck Country Club in Wilmington, June 9-11, 2015. Rhonda Williams, playing the State Tee's tied for 2<sup>nd</sup> place in the First Flight. Shirley Baker competed in the Super Senior Division and Finished tied for first place from the State Tee's.

The Wayne County Amateur should have been called "Lane Tree takes it all".

Congratulations' to you all.

Not to be outdone, Lane Tree members represented well in the **Wayne County Juniors.**

Winner of the Boys 15& up was our own **Blake Flores** and winning the girls 14 & up was **Lindsey Burton**, another member of Lane Tree. Following very close behind was Abby Sauls & Leah Campbell in the girls division and Bryce Jones in the boys division.

**Bryce Jones does it again.**

Bryce competed in the Tar Heel Youth Golf Association at Goldsboro Municipal. He shot a 73 from the tips winning first place and qualifying him for the NC tournament of Champions.

After reading the last couple paragraphs, I am sure you too are proud to be a part of Lane Tree. Please congratulate these members when you see them.

**Other News**

By now everyone has seen the progress on the monster sand trap that was on #18. After a lot of opinions and contemplation, it was decided to fill it in and to turn the monster into a grass bunker. Most seem happy and say it was a great improvement.

#7 is undergoing some much needed work in those pesky bad areas that seem never to have grass. We are trying a different way and hope that this take hold. #16 is also going thru some of the same alterations. Cross your fingers.

**I implore you to please make tee times. Again we have members coming in to play during the week, only to find that we are booked until later in the day. If things continue, we may not be able to accommodate your group by sending them to an open hole.**

**Don't let this happen to you. Members can book tee times two weeks out and can do it from the comfort of their computer. Call me for quick instructions.**

**We hope everyone is having a safe and happy summer. See you on the links.**
