## Lanetree's Ella June Hannant is the #1 five-year-old at the World Championships at Pinehurst

July 27<sup>th</sup> through August 1st, 2015, the Hannant family's 5 year old daughter, Ella June Hannant, competed at the invitational U.S. Kids Golf World Championship in Pinehurst, NC.

The first day included a Parent-child tournament where Ella completed with her grandfather (Lanetree Member Phil Hannant). Together they were the youngest and oldest player in the field. They combined for a 75 during the 18-hole match placing 5<sup>th</sup> overall.

Ella June Hannant shot a 134 (27 holes) with a 44 (round 1), 42 (round 2) and 48

(round 3). She placed 38<sup>th</sup> in the World in the Girls 7 & under division and ranked as the top 5-year-old female in the World Championship.

Following the World Championship, on August 4<sup>th</sup> 2015, Ella played the Heritage Golf Club Kids tournament and shot a course record low of 38 (for her age). She placed 1<sup>st</sup> in the 7 and under division and is ranked #1 on both the Raleigh and Pinehurst Tour standings.

On September 6<sup>th</sup> & 7<sup>th</sup>, the Hannant family's 6-year-old daughter, Ella June, and 9-year-old daughter, Karsyn, won the NJGT National Championships at the River Oaks Golf Plantation in Myrtle Beach, SC.

The tournament consisted of 2 rounds of 18 holes and various weather conditions. It went from ideal temperatures to hot and humid and on day 2. The tournament was paused for a monsoon storm that delayed play for hours due to pouring rain and lightening. All in all it was great fun and a wonderful experience.

### Special thanks...

Both Ella and Karsyn wanted to especially thank the Lanetree Golf Course for providing them the best place to practice their golf, Bill Lane for creating such an excellent and beautiful place to play, all the Lanetree staff for being so kind and supportive, and all the

Lanetree members who are always so nice while they are playing. The Hannant Family thanks you all very much!
